

Grace Bible Church
Bus Release Form and Conduct Expectations

We consider it a privilege to have _____ utilize the Grace Bible Church bus to attend _____. The Bible tells us that children are a heritage of the Lord. They are valuable in His sight as well as ours. Because we care about your child, we desire first of all to encourage growth in his/her relationship with God and with others and to ensure safety for each child and person involved in our activities.

In order to provide safe and efficient transportation for those using our church bus, we have found it necessary to implement the following release from liability and rules regarding proper behavior. All Passengers agree to:

1. Remain seated while the bus is in motion
2. Always wear your seatbelt
3. Refrain from throwing any objects
4. Refrain from excessive noise which the driver deems as distracting
5. Keep all objects and body parts inside the vehicle
6. Refrain from vandalism. Vandalism or property damage shall be paid for by the person responsible for the damage and constitutes due reason to prohibit a person from riding the bus.
7. Refrain from smoking, dipping, or use of tobacco products on the bus
8. Refrain from possession of or use of alcoholic beverages on the bus
9. Refrain from possession of or use of illegal drugs allowed on the bus
10. Refrain from obscene language or gestures (including racial or sexual innuendos).
11. Refrain from bringing weapons or other dangerous objects on the bus
12. Refrain from fighting, pushing, tripping, spitting, hair pulling, or other physically abusive behaviors

Violation of the above rules regarding proper behavior on the bus may result in the temporary or permanent suspension of bus privileges. Parents will be notified if this action is necessary.

Permission to Transport/Accident Release

I request that my son/daughter, _____ be transported as stated above, and I relieve Grace Bible Church, their staff, or volunteers of ANY responsibility in the event that my child is injured in any way, even injury resulting in death. In addition, I have read and explained to my child the above rules. My child understands that he/she may lose van privileges if he/she does not adhere to the rules.
